Senior Clinical Data Managers Forum

Developing Strategic Partnerships

GlaxoSmithKline, Stockley Park, West London
Tuesday 19th May, 2009 • 13.00 – 17.30

Registration will be from 13.00

There will be an opportunity to socialise and network after the forum

There is no charge for attendance at this forum

Chris Cramer – Senior Director Data Management, Europe – PharmaNet

Chris will be the keynote speaker at this forum and will present the rationale and process for developing strategic relationships with our CDM business partners. This will be followed by discussions of how such partnerships have been developed in real life scenarios in both CRO and Pharma companies.
